

# Intentional Success

Happy year end Jackson,

With SOOO much noise, I wanted to share that each month, Elevated is thinking about you:

- **How we can add value to our insurance relationship.**
- **How we can stay in touch even if we don't work together.**
- **How we can serve you best.**

Because you've gotten a quote at some point: **QAC (Quotes Are Catalysts)** I wanted to unveil the 462 books we've collected for kids, and will likely double this number by our donation on Dec.19th:

(79 seconds, captions, huge donation and accepting more)

**If you ever feel Elevated can help with anything:** Professionally, personally, or with insurance, please ask. We want to make a difference in the lives of those we serve.

Have a very happy, relaxing, and healing time with your family this month.

Driven to serve,

Jackson Bubolz
